Doug – You may remember I raised this at an SLT meeting in December when it first came up, mostly in the event of the Corps going ahead with ocean disposal over our objection. They didn't, so we have been monitoring the situation and planned to brief Dennis if it or other projects flare up. Thanks.

Sir,

Please see attached fact sheet for the City of Beverly permit, we will update if the applicant finds a suitable disposal option. We are currently investigating other actions and discussing options to ensure there is not a repeat. We can discuss at your convenience.
